

TOOK HER OWN LIFE

Mrs. Van Weik, Prominent Woman of Baltimore and Washington, Shot Herself.

DIVORCED WIFE OF AN INDIANIAN.

The Deceased Was the Daughter of Capt. Edwin Ames of the United States Army.

The Woman Remarried, But Was Again Seeking a Divorce—Willed All Her Washington Property to Her Daughter Dorothy.

New York, April 6.—Mrs. Louise Ames Van Weik shot and killed herself, in the Hotel Washington, in Jersey City, Sunday. She was 37 years old, a blonde and good-looking. She arrived in Jersey City on Friday, and went to the Hotel Washington.

She seemed in good spirits and was well supplied with money, and numerous packages arrived at the desk from New York stores for her. She was last seen alive Saturday evening by one of the maids of the hotel.

Mrs. Van Weik wore a dressing gown, which was open at the throat. Apparently, while sitting in front of the mirror in her room she had placed a revolver against her breast over the heart and outside her undergarment and fired. The revolver, containing four loaded shells, and the empty, was found beside her.

Several bundles of letters were found addressed to Mrs. L. E. Wolfbauer, care of Mrs. Pease, 1250 McCullough street, Baltimore, and to Mrs. Edward W. Wolfbauer, 1017 Fifteenth street, Northwest, Washington, D. C. All these were signed by Edward W. Wolfbauer and addressed the recipient as wife. The most recently dated was in 1901, and most of the letters were written from various places in Cuba. The signatures to these letters and from the signature to the woman's will, which was found among the letters, it is supposed that Mr. Wolfbauer died and that she remarried, her second husband being Van Weik.

The will was dated Sioux Falls, March 2, 1903. This document leaves all the wardrobe of the testatrix to Mrs. Mary Garland, Washington, D. C. To the daughter of the testatrix was left the houses and lots at 1853 and 1855 Seventh street, Northwest, Washington. In case of the death of the daughter before the provisions of the will are carried out, all the share of the daughter, whose name is Dorothy, is to go to William J. Hess, of Washington. An insurance policy on the life of the testatrix, made out in favor of Otto B. Van Weik, for \$1,500, is willed to the daughter.

Mr. Royston and Mr. Townsend, the men to whom registered packages were mailed, are named as executors of the will.

Baltimore, April 6.—Mrs. Louise Ames Weik was the daughter of Capt. Edwin Ames, of the United States Army. Fourteen years ago she was married here to Otto B. Weik, of Indiana. Three years since, they were divorced in Washington. After the divorce proceedings Mrs. Weik placed the prefix "Van" to the surname of her former husband. Her friends in this city were very regretful Sunday night, but it is understood that the body of the young woman will be brought here for burial.

Washington, April 6.—Mrs. Van Weik was divorced from her first husband, and about three years ago she was married to Edward Wolfbauer, a New Yorker. It is said that recently she took up her residence in Dakota, with a view to obtaining a divorce from him also. Mrs. Van Weik had engaged quarters here for the racing season.

Greencastle, Ind., April 6.—Mary Ames Weik, who committed suicide at Jersey City Sunday, was a granddaughter of Bishop Ames, of the Methodist Episcopal church, once president of DePauw university. She was graduated from DePauw with the class of '88 and was prominent in Indiana society and college Greek letter society circles. Fourteen years ago she married Otto Weik, then a student at DePauw, and several years later she received a divorce and married Wolfbauer. Otto Weik is now a resident of St. Louis.

THE GOLDEN JUBILEE.

Young Men's Christian Association of Louisville Celebrated.

Louisville, Ky., April 6.—The golden jubilee of the Young Men's Christian association, of Louisville, was celebrated here Sunday, the chief speaker being President William R. Harper, of the University of Chicago, who spoke

on the "Relations of Religion to the Higher Life." In the course of his speech, Dr. Harper said:

"The higher life is always associated with the individual. It manifests itself in many different forms, yet all are closely related. The fullest indication of this higher life stands out in the long list of men who have become famous in art, in science, in philosophy, deeper and broader perhaps than art. Then there is ethical purpose, or shall we say, moral effort. We are striving toward the pure and beautiful and good, or are falling away toward that which is ignorance and evil and darkness. The line between the higher and the lower life is not the same for any two men.

"My question is this, What has religion to do with this higher life?

"In my use of the word 'religion' I use it in the broadest sense. I am not referring to the church. The church is of a variable character. But religion is eternal.

"Poetry and art may brighten life, but they can never bring the one thing needed. The fact is that religion is of itself and for itself, and it can not be compounded with art or philosophy."

A WHISKY EXHIBIT.

Distillers Wish to Show the Effect of the Bottling-in-Bond Act.

Frankfort, Ky., April 6.—If negotiations now pending with the management of the St. Louis World's fair are successfully concluded there will be a mammoth exhibit at the Louisiana Purchase exposition, which will be unique in that it looks to a national display of bottled whisky.

The feature of the exhibit will be that it exploits an act of congress passed in 1897, approved by President McKinley on March 8 of that year, and which has been an operative law of the land for the last six years.

DOCTOR DROPPED DEAD.

Excitement Over a Shooting Affray He Witnessed Caused It.

Paintsville, Ky., April 6.—While watching a shooting affray between the town marshal and Reuben Howard on one side and Cleveland and Dudley Arnett on the other, Dr. J. L. Rowland dropped dead in the street at Salyersville from heart failure, caused by the excitement. Dr. Rowland was a surgeon in the 11th Kentucky regiment during the civil war.

For Stealing Whisky.

Lawrenceburg, Ky., April 6.—Bert Cunningham and Willie Raily were arrested near here by United States officers for breaking into the bonded warehouse of the Ripy distillery. A gang had been operating for months, and it is said Cunningham was the leader. Large quantities of whisky have been stolen.

Commercial Club Organized.

Ashland, Ky., April 6.—The Commercial club was organized with the following officers: President, O. J. Shane; vice president, J. O. Mathewson; Secretary, Dr. V. V. Adkins; board of directors, J. S. Ogden, Dr. J. H. Wade, A. C. Lawrence, Ed. S. Hughes, Thomas Boggers, Jr., and J. B. Forgery.

Death of Wm. C. Hornsby.

Shelbyville, Ky., April 6.—Wm. C. Hornsby died at his home near Simpsonville of old age. He was 86 years old. Mr. Hornsby was the wealthiest citizen of Shelby county. His fortune will aggregate \$200,000, made up principally of government bonds, cash notes and other securities.

Inspection Ordered.

Lexington, Ky., April 6.—Maj. J. Embury Allen, of the 2d battalion, 2d regiment, K. S. G., issued orders Sunday for the state inspection of his command to take place in this city next Thursday preparatory to the federal inspection under provisions of the Dick militia bill.

For Some Kentuckian.

Lexington, Ky., April 6.—The preliminary meeting of the committee to represent Kentucky in the matter of the Cecil Rhodes scholarship will be held in this city next Friday. The scholarship includes a four-year course in Oxford and an annual stipend of \$1,600.

Gave Him One Dollar.

Helena, Mont., April 6.—Buried treasure to the amount of about \$18,000 was discovered by a plumber under the house of 310 Broadway. As a reward for his discovery the alleged owners of the treasure, Mr. and Mrs. John McCormick, gave him \$1.

Killed By the Marshal.

Olathe, Kan., April 6.—City Marshal S. P. Howland, of Gardner, during a fight lasting half an hour, shot and killed Bud Briggs, who, with two companions, was trying to secure the release of Estelle Briggs, a brother, whom the officer had arrested.

ASIATIC SQUADRON

It Will Be Increased as Soon as the Vessels Under Orders Arrive in the Orient.

IT CAUSES SURPRISE IN PEKING.

America Will Have a Strong Representation Ready For Service Should an Occasion Arise.

This Action Was Decided On Some Time Ago and It Is Felt to Be a Good Precautionary Measure.

Washington, April 6.—The United States naval representation in the Orient will be increased materially as soon as the vessels now under orders to proceed to those waters arrive there. The navy department in making this increase contemplates squadrons in Asiatic and Philippine waters under three general heads, viz.: vessels of the line of battle, made up of the battleships Kentucky, Oregon and Wisconsin, and the monitors Monterey and Monadnock, all of which are now there except the Wisconsin, which sails from Puget sound about May 1; second, the cruisers' squadron, made up of the New Orleans, which is already on the Asiatic station, and the Raleigh, now in the Caribbean sea, and the Albany and the Cincinnati; and the third squadron made up of gunboats and small craft designed especially for service in the smaller bodies of water where the larger ships because of their draft are unable to go. The idea of the three squadron formation is a favorite one with many naval officers, who, to some extent, have arranged its counterpart with the vessels of the Atlantic fleet.

It is said here that the change in the character of the Asiatic squadron is due primarily to what naval experts consider the proper division of our navy and was decided on some time ago. It also is felt to be a good precautionary measure to have a strong representation in the far east ready for service should the occasion unexpectedly arise.

Peking, April 6.—The report received here that the action of the United States in increasing her Asiatic squadron is on account of "Alarming reports on the situation in China" excites surprise in Peking. Such reports were not sent by the United States or British legations which possess good facilities for judging the situation in China. The only disturbances considered serious are those in the Kwang Si province, the southern province of China bordering Tonkin, where 100,000 rebels are said to be under arms, which were never directed against foreigners. The latest reports regarding Gen. Tung Fuh Slang, the "Boxer" leader, and Prince Tuan, the exiled anti-foreigner, who are at the head of the insurgent forces in the northwestern province of Kansu are reassuring. The government claims to have come to an understanding with them whereby they agree to refrain from hostilities. It is believed that the government is supplying them with funds on condition that they remain quiet.

The officials promise the foreign ministers that the indemnity bonds will soon be signed. The officials apparently have concluded that it will be impossible to obtain any concessions in the terms of the indemnity until that formality is fulfilled.

The United States consul at Canton telegraphs that the famine in the Kwangsi province, resulting from the rebellion there, is serious. Thousands will die unless assistance is forthcoming. He recommends that relief funds be started abroad.

THE BATTLESHIP SQUADRON.

The Enlisted Men Will Be Given a Net Leave of Ten Days.

Washington, April 6.—The enlisted men of the ships of the battleship squadron are to be given a net leave of ten days when the vessels are docked for repairs in about a month and a half. This squadron is made up of the Kearsarge, Alabama, Illinois, Massachusetts, Indiana and Iowa. The men on the Maine also will be given similar leave. When the vessels of the squadron reach the mouth of Chesapeake bay from the south, where they have been during the winter, they are to be reviewed by Adm. Dewey and Rr. Adm. Taylor, the chief of the bureau of navigation, after which most of them will proceed to the Northern navy yards for docking and repairs.

St. Louis, April 6.—Attorney General Crow and Circuit Attorney Folk held a long conference Sunday regarding the gathering of evidence for the investigation of legislative hoodlums.

ANOTHER REPULSE.

The Government Troops Attempted to Recapture Santo Domingo.

Washington, April 6.—A report to the navy department from Commander Turner, of the cruiser Atlanta, at Santo Domingo City, shows another repulse to the government troops, who made an attempt to take the city from the revolutionists, and that Commander Turner was again compelled to land the jackets to protect the United States consulate. Commander Turner's dispatch is as follows:

"Santo Domingo, via Hayti, April 5.—Government forces attacked city yesterday; were repulsed. Report indicates Vasquez (the president) approaching with strong force. Government gunboat fired three shots last night without injury. City fortified; apparently determined to resist. Land ed marines to protect the consulate."

One day last week Commander Turner landed a force of 50 marines to guard the United States consulate at Santo Domingo City, when the situation was regarded as very critical.

THE TROUBLE SETTLED.

Wabash Road Gives Its Employees An Increase in Wages.

St. Louis, April 6.—After four months of controversy between the employees of the Wabash railroad and the officers of that system, during which a strike was imminent and was prevented only by a temporary injunction, dissolved on Wednesday, restraining the employees from vacating their positions. The differences were finally adjusted and the controversy effectually and satisfactorily settled Saturday evening.

Officers of the brotherhood, representing the employees, declare the settlement is satisfactory and is a sweeping victory for organized labor.

TOM ALLEN DEAD.

Retired Heavy Weight Champion Pugilist of the World.

St. Louis, April 6.—Tom Allen, retired heavy-weight champion pugilist of the world, who for the past 25 years has conducted a small saloon here, died Sunday from general debility. He was born in Birmingham, Eng., April 23, 1839.

Allen won his laurels in the days of bare-knif fighting and bore the title of being the only pugilist who lost the world's championship, regained it and retired with it.

He lost the championship to Jim Mace, May 10, 1870, and regained the title by defeating Mike McCool, September 23, 1873.

GERMAN CROWN PRINCE.

Rumored That He Is to Be Betrothed to Duchess Cecile.

Copenhagen, April 6.—Rumors are current among the German emperor's suite and in Danish court circles that the German crown prince, Frederick William, is to be betrothed to Duchess Cecile, sister of the grand duke of Mecklenburg-Schwerin, whose sister, Alexandrine, is the wife of Prince Christian, the grand son of the king of Denmark. Duchess Cecile was born at Schwerin on September 20, 1886. She will thus be 17 years old next birthday, while the German crown prince is four years her senior.

ANOTHER LEVEE BROKE.

Part of Ex-Gov. Warmouth's Magnolia Plantation Flooded.

New Orleans, April 6.—The levee broke Sunday morning at the upper line of ex-Gov. Warmouth's Magnolia plantation, on the west side of the river and about 60 miles below this city. As the river bank at that point is very steep, the break will have to be closed from the inside. The Grand Isle railroad refuses freight or passengers for points below Magnolia.

WIFE INSTANTLY KILLED.

Mrs. Barney Lost Her Life in a Quarrel With Her Husband.

Wilkesbarre, Pa., April 6.—In a quarrel Sunday night between Frederick Barney and his wife, the latter was shot and instantly killed. Barney is 23 years of age. The wife was 18. Barney claims his wife had a revolver in her hand and in the struggle to take it from her it was discharged and the bullet entered her head. Barney is in custody.

Paducah, Ky., April 6.—About 120 laborers employed by the Katterjohn Construction Co., at Ohara, near Princeton, have been discharged because, it is said, they joined a union.

Lawrenceburg, Ky., April 6.—John Dowling, a prominent distiller of this city, suffered a stroke of paralysis at his home here Sunday, and is not expected to recover.

HAD A DAY OF REST

The Presidential Party Was the Guest of Sioux Falls, S. D., on Sunday.

AT CHURCH MORNING AND EVENING

In the Yosemite Valley the President Will Be Saluted by a Battery of Dynamite Cartridges.

The Report of a Toy Pistol Within the Walls of the Valley Reverberates Like a Series of Volleys of Heavy Artillery.

Sioux Falls, S. D., April 6.—President Roosevelt was the guest of Sioux Falls Sunday and remained so until Monday morning. His special train arrived Sunday morning, and he was met by a delegation headed by Mayor G. W. Burnside and State Senator A. H. Stites. Senator Kittredge also greeted him. The president was escorted to the Cataract house by detachments of two militia companies and enjoyed a day of comparative rest.

He attended church in the morning and in the evening. During the afternoon he went for a horse-back ride, accompanied by Seth Bullock, superintendent of the Black Hills Forest reserves.

The fact that President Roosevelt attended divine services twice Sunday was due to a mistake on the part of the local committee. The committee had the impression that the president was a member of the German Lutheran church and accordingly arranged to have him attend that church. Later, when it was learned that the president worshiped at the Dutch Reformed church, arrangements were made to have services held in the evening at the Livingstone Reformed church. While it is not the custom of the president to attend services on Sunday evening, he consented to make an exception to the rule when the facts were presented to him. The services Sunday were conducted by Rev. Herman Sell, president of the German-English college at Walton Ia., who came to Sioux Falls for that purpose. The German language was used throughout.

A pickpocket tried to work among the persons gathered in front of the Lutheran church Sunday morning. Just as the president was about to enter the edifice a man, who gave the name of G. W. Earl, abstracted \$23 from the pocket of A. Dockstader. Earl was detected, but before he could be seized he handed the money to a confederate, who disappeared. Earl was arrested.

San Francisco, April 6.—In the Yosemite valley President Roosevelt will be given a salute by a battery of dynamite cartridges. The walls of the valley are 3,000 feet high, and the report of a toy pistol within them reverberates like a series of volleys by heavy artillery. An enormous bonfire will be built on the overhanging rock of Glacier Point. The great mass of fire will be thrown over the side of the projecting rocks to the bottom of the valley, 3,000 feet below.

THEIR OUTING ENDED.

Mrs. Roosevelt and Her Children Return to Washington.

Washington, April 6.—Mrs. Roosevelt and her children, who have been on a cruise on the Mayflower down the Potomac river and Chesapeake bay, returned to Washington Sunday afternoon. A carriage from the white house met the party at the boat and they were driven to the white house. All the family are well and greatly benefited by the week's outing.

Miss Alice Roosevelt returned to Washington Sunday night from her visit to Gov. Hunt's family in Porto Rico.

TAKEN INTO CUSTODY.

B. P. Brown Made Threatening Allusions to President Roosevelt.

San Bernardino, Cal., April 6.—B. P. Brown, of Redlands, who was arrested just before the last visit of President McKinley, under instructions from Gov. Gage, who learned that he had made threats against the president, is again in the county jail, having been taken into custody at Redlands on a charge of vagrancy. He was, it is said, overheard making threatening allusions to President Roosevelt.

Bank Ordered Closed.

Kenosha, Wis., April 6.—M. Bergh, state bank examiner, has issued an order closing the Kenosha state bank and placing its affairs in the hands of a receiver. Insufficient capital is said to be the chief cause of trouble.

Dr. Frazee in Bourbon.
 [Paris Democrat.]
 Dr. J. M. Frazee, of Maysville, was in Paris in the interest of his candidacy for Commissioner of Agriculture. He has been a farmer all his life and is eminently fitted to fill the office. He was a candidate for this office four years ago, and was the contending man on the final ballot. He has many friends in Bourbon, and will receive a good vote in the county.

Mr. Perry Jefferson, of Carlisle, formerly Sheriff of Mason County, has gone to Hot Springs, Ark., for the benefit of his health.

EASILY DECIDED.
 This Question Should be Answered Easily by Maysville People.

Which is wiser—to have confidence in the opinions of your fellow citizens, of people you know, or depend on statements made by utter strangers residing in far-away places? Read the following:

Mr. George N. Crawford, blacksmith and wheelwright, corner of East Second and Lee streets, says: "The great benefit which speedily follows the use of Doan's Kidney Pills seems little short of miraculous. I procured the remedy at J. Jas. Wood & Son's drug store, corner of West Second and Market streets, and by the time I had used one box I was cured. If any one suffers from kidney trouble while such an effective kidney cure as Doan's Kidney Pills can be had, the fault is their own."

DREAD PNEUMONIA
 Is More Contagious Than Tuberculosis and Kills More People.
 [American Medicine.]
 We wonder if the fact that patients and their friends ignore the contagiousness of pneumonia is often due to professional negligence. An exaggerated conception of the contagiousness of tuberculosis is held by the lay world, but pneumonia is, of course, far more contagious. And patients and professional alike have not realized the new fact that the mortality of pneumonia is in some cities and parts of the country higher than that of tuberculosis. Dr. Reynolds, of Chicago, returns to this lesson and emphasizes the necessity of the following measures:
 Pneumonia is a highly contagious disease, the cause of which is a micro-organism in the sputa of those suffering from the malady, and contracted by inhaling this germ. Therefore, the same care should be taken to collect and destroy the sputa that is taken in pulmonary tuberculosis or in diphtheria or influenza.
 During the illness the greatest pains should be taken to prevent soiling bed clothes, carpets or furniture with the sputa, and after the illness the patient's room should be thoroughly cleansed and ventilated. The fact that the disease is most prevalent in the winter season, when people are most crowded together and live much of the time in badly ventilated apartments, makes obvious the necessity of thorough ventilation of houses, offices, factories, theatres, churches, passenger cars and other public places, in order that the air which must be breathed may be kept clean and free from infectious matter.
 Laymen should be taught not to be afraid of a patient who has pneumonia, influenza or tuberculosis, but to be afraid of lack of cleanliness about him during his illness, of failure to enforce prophylactic measures and of close, badly ventilated apartments during the season when these diseases most prevail. Since pneumonia is most fatal at the extremes of life—the young and the aged—special care should be taken to guard children and old persons against exposure to the infection of those already suffering with the disease and against cold, privation and exposure to the weather, which are potent predisposing causes.

There are now only four houses on the Fleming pike (East Fourth street) in which there is smallpox.—Wm. Lundrigan's, M. Sweeney's, Mrs. McHugh's and Charles Sowers'. Mrs. Helmer was the only case reported Saturday and none since then. A number of homes where the disease existed have been disinfected, the patients having recovered. The Wm. Dooley home on West Third street will be disinfected to-day. By the close of the week it is thought the disease will be stamped out.

The directors of the fund for the building of the K. of P. Widows' and Orphans' Home met Saturday in Newport. It was reported that there was \$15,000 in the fund and it is estimated that it will take at least \$25,000 to build the kind of a home that is wanted. The cities of Newport, Winchester, Lexington, Hopkinsville, Bowling Green, Millersburg and Louisville were discussed as probable sites for the home. The matter of a selection was laid over until the meeting of the Grand Lodge in October.

MR. DULEY RESIGNS.
 President of Board of Trade Severs His Connection With State National Bank After Long Service.

Mr. John Duley resigned his position as teller of the State National Bank Saturday.
 On April 1st, he completed his twentieth year with this bank and he retires with an enviable record for faithful service and conscientious devotion to duty. Mr. Duley says more out-door exercise and fresh air will be good for a person after such a long period of indoor work.
 His successor has not been named yet.

THE BEE HIVE

2124 PAIRS

We often thought, while watching the feminine throngs about our place, what would the dry goods business amount to without the ladies? Equally pertinent, however, is the natural retort, what would the ladies do if it were not for the dry goods men? We do our share in the mutual benefit business by opening up this week 2124 pairs

On the Boom—Ten New Lodges Organized Since Last Meeting of the Grand Lodge.

Mr. R. G. Elliott, Grand Secretary of the I. O. O. F. of Kentucky, has received two applications for lodges to be established in the State within the past week. One from Clinton, Hickman County, where a lodge of fifteen charter members will be organized and one from Ridgwood, Lee County, which will start off with twenty charter members.

The formation of these two lodges will make ten new ones organized since the meeting of the Grand Lodge at Hopkinsville last October. Three new Rebekah lodges have also been organized in that period.

The next meeting of the Grand Lodge will be held in Lexington in October.

PASSED AWAY SUNDAY.

Death Claims Mr. Martin Mackey of Moransburg—Funeral to Take Place Tuesday.

Mr. Martin Mackey, son of Mr. Thomas Mackey, of Moransburg, died Sunday morning at 2:30 o'clock after an illness of nearly a year of Bright's disease.

He was twenty-five years of age and a most exemplary young man, esteemed by a large acquaintance. His sufferings at times were most intense, borne with the patience characteristic of a good Christian. He was a nephew of Rev. Father John Mackey, of St. Peter's Cathedral, Cincinnati. His mother preceded him to the grave about two years. The bereaved father, brothers and sister have the sympathy of the community.

The funeral will take place Tuesday morning at 9 o'clock at the Catholic Church, Brooksville, the procession, leaving the home at 7:30 o'clock.

On the Fence Question.

Hundreds of farmers in our territory who have given the "American" a trial testify by repeated orders that as a stock and all-purpose fence they acknowledge it has no equal in the world.

The American Field Fence is made of large, strong, high-grade steel wires, heavily galvanized; amply provides for expansion and contraction; is practically everlasting and never goes wrong no matter how great a strain is put on it.

The "American" will not mutilate, but does, efficiently, turn cattle, horses, hogs and pigs.

Used as a division fence in towns or cities, it is handsome, efficient and inexpensive, and every rod is guaranteed by the manufacturers and by us.

Call and see this fence and hear its merits discussed. We can show you how it will save you money and fence your fields so they will stay fenced.

THE MARKETS.

Weekly Review of Trade at Cincinnati in Live Stock and Tobacco.

Cattle—Slow and easy all week. Prices about 15a25c. lower than a week ago on most grades. Stockers and feeders relatively firmer than other grades. Milch cows dull, as well as calves.

Hogs—A fair run during the week, and market active and prices slightly easier; compared with a week ago heavy butcher packing grades average about 5c. lower, and light hogs are 10a20c. lower.

Sheep and Lambs—A good demand for sheep and lambs during the week, and with only moderate offerings prices tended upward, sheep advancing 10a25c. and lambs 15a25c. during the week. Western and Chicago commission firms are advising their shippers to send their sheep and lambs in now, as there promises to be liberal receipts of range sheep later on which will likely depress prices.

Tobacco—There was another sharp decline in receipts and offerings, but this was fully expected and discounted by the trade as the dull season between winter order goods and redried tobacco is now fully on, and present conditions may be expected to continue until the middle of next month, when the redried tobaccos will begin to come on the breaks in considerable quantity.

Nearly two-thirds of the entire offerings of new were of the common and low grades under 6c. A very large proportion of this was in poor condition, moist and soggy, and as might be expected these high case goods were severely discriminated against by manufacturers. Naturally it was therefore the rehandlers' opportunity and market, and this element was strongly in evidence.

Good colory trashes and lugs and medium red fillers were much sought after by manufacturers, but the supply of these in anything like fair order was very limited and outside figures therefore prevailed.

Fine to fancy leaf and selections were very scarce commodities.

The pleasing feature of the market to shippers were the old tobaccos, which were in strong and active demand throughout the week from the opening sale to the close. This demand and enhanced values brought out more liberal offerings, especially of the medium and better types. Prices along the entire list in old were from 1/2c. to 1c. higher, and these values may reasonably be expected to prevail until the last of the crop is off the market.

IMPORTANT ANNOUNCEMENT OF THE MAYSVILLE GAS COMPANY.

Under 2000 cu. ft. of Gas \$1.50 per 1000.
Over 2000 cu. ft. of Gas and under 3000 cu. ft. \$1.25 per 1000.
3000 cu. ft. of Gas and over \$1 per 1000.

At a meeting of the Board of Directors of the Maysville Gas Company March 28th, 1903, it was ordered that on and after the first day of April, 1903, the above sliding scale of price of gas for all purposes, fuel and illuminating, should go into effect for all private consumption, and that all rates and discounts heretofore made are hereby abolished.

It was further ordered that after the first of April the old rule of the company "gas will be turned off if account is not paid with five days after presentation" shall be enforced, impartially and indiscriminately, regardless of whom it may concern. (This action was taken not to appear arbitrary nor with the idea that the accounts of the consumers were not perfectly good at any time during the month, or a year later for that matter, but for the good of all concerned and in order that this part of the business of the company might be taken up at a specified time during the month and disposed of, and further in order that the time and thought of the company's agents and employees, now so largely occupied with this work of collecting, might for the balance of the month be diverted toward giving consumers of gas better attention and more efficient supply and service.

It was further ordered that, beginning with the first of May and for each and every month thereafter, the monthly statement of account of each consumer should be delivered to said consumer by an agent of the company on the first day of the month, or the second day, if the first comes on Sunday, and that said account shall thereafter within five days be due and payable at the office of the company on Court street, Maysville, Ky., and if not so paid, gas will be promptly shut off.

The gas company further announces that, after the first day of April, they will handle and sell at cost price to gas consumers any of the great variety of gas stoves and ranges made by and shown in the catalogue of the Detroit Stove Works, Detroit, Mich., which price will be a sum equivalent to 50 per cent. discount from the list prices in said catalogue. These stoves and ranges will be sold for cash only, or according to the terms of a printed lease, whereby easy payments are extended over a period of from twelve to seventeen months. For instance, take a gas range listed in catalogue at \$25, the gas company will sell this range to consumer for \$9 cash or for \$20 cash at signing of lease and 60 cents a month for seventeen months, at the expiration of which time the range is sole property of consumer. The company has selected to handle the Detroit Jewel Gas Range on account of its acknowledged superiority and wide reputation for durability and economical consumption of gas. The gas company will also handle, at cost price to consumer, the fixtures and mantles of the Welshach Company in all of their many attractive varieties.

Before closing this announcement the gas company wishes to publicly express appreciation of the eminently fair, just and courteous treatment accorded them by his honor, the Mayor, and the Board of Council, particularly the Chairman and members of the Gas Committee of that body, through whose efforts in behalf of the private consumers, the above concession in the price of gas is now announced.

With the assurance to the citizens of Maysville that it will be the earnest effort of the company and its agents to at all times give them their best possible service at the least cost, we beg to remain, very respectfully, MAYSVILLE GAS CO.

P. S.—On and after April 1st the gas company will have on exhibition at the plumbing establishment of Mr. Larry Langels on Market street, samples of the Detroit Jewel Gas Ranges, to the inspection of which those interested are cordially invited. You can leave your order for a range with any representative of the gas company, with Mr. Langels or your regular plumber, with whom you will have to make arrangements for the connecting and fitting up of range in case of the placing of order.
